9 ways to travel in comfort

by
PULLMAN

GENERAL INFORMATION TO PATRONS

The accommodations shown in this Pullman folder are typical of those in sleeping cars of so-called "lightweight" construction. However, it is not unusual for the seating, sleeping and private toilet arrangements of the various accommodations to differ noticeably. Especially is this the case as regards bedrooms and compartments, where there may be any of the following major differences in the interior arrangements:

Seats may be movable lounge chairs, or of sofa types.

Berths may be lengthwise, instead of crosswise of the car.

Toilet facilities may be within the room itself, or entirely or partly in a separate annex.

Only **PULLMAN**

Heart-of-town departure and arrival • Dependable schedules • No parking problems—no weather worries • Superb dining facilities; no time-wasting stops for meals or lodging • Select your own air-conditioned "climate" • Restful sleep as you travel; arrive relaxed, refreshed!

YOUR LOCAL TRAVEL OR TICKET AGENT WILL HELP YOU THESE FIVE WAYS:

2. Make your Pullman reservations, going and returning.
3. Furnish your rail and Pullman tickets.
4. Assist you in planning stopover and side-trips.

UPPER, LOWER, SECTION. Lowest priced of all Pullman sleeping accommodations, the "UPPER" is a fresh-white, king-size bed. The "LOWER" is also a bargain in privacy and rest. When both are bought as a "SECTION," only the lower is made up at night.

These are the least expensive Pullman accommodations.

ROOMETTE OR DUPLEX-ROOMETTE. An entirely enclosed private room, normally for one person, offering round-the-clock travel privacy. You can work, lounge, read, sleep, and dress as you wish. Or you can stroll to the convenient Diner or sociable Club Lounge car at your own leisure.
